

Genre: Ambient | Electronica | Cosmic Octave

With this ambient/electronica release the Berlin label Klangwerkstoff Records released an album which works in the field of practical music philosophy.

Michael Brückner - Naura

1. Rinkula	10:26 min.
2. Rauka - Wild Mix	17:40 min.
3. Rauros - A Drone	8:36 min.
4. Rauka - Disciplined Mix	17:35 min.
total:	54:15 min.

„Naura“ is Michael Brückner's first full album in cosmic tuning, here: to the resonance frequency of the earth's electromagnetic field at 7.83 Hz.

Being in tune with this frequency can enhance the capacity of the human body to repair itself, and helps to remove stress and intensify concentration.
